# firefly™

## The Cell Phone made **exclusively** for **KIDS 5-12yrs old!**

### What is firefly™?

The first phone designed uniquely for kids 5 - 12 and parents in the US, the Firefly has been very well received. Firefly is small to fit into your child's hand, with flashing lights and 12 pre-loaded ringtones and is so easy to use! And mom and dad can pre-program fast dial keys, plus configure up to 20 numbers, and set incoming call screening - all using PIN control for piece of mind. No wonder kids love the Firefly, almost as much as parents do.

### Special Features of firefly™:

- Designed for kids - fun, small, lightweight, durable
- Mom, dad and emergency optional fast-dial buttons
- 12 pre-loaded ringtones, 7 screen colors and 5 animated graphics
- Up to 20 pre-programmed numbers in the address book - PIN controlled
- Flashing lights and translucent shell
- Inbound call screening - PIN controlled

- **Safe - with call screening features**
- **Fun - flashing lights & colors**
- **Durable - rugged shell**
- **YOUR KIDS WILL LOVE IT!**
